Verbal Description

Scoral censer lid fragment, rim piece. Unscored side has not been altered by heat. Scored side is burnt & burning/firing core goes to within 2mm of the unscored side. Lip is not ~~totally~~ totally flat, but isn't really rounded either. Scores on this piece appear to go only horizontally - where piece broke was right on a score. Unscored side is really smooth & doesn't show any signs of finishing. Scoral side shows wiping marks. Scored side is rougher than unscored side. No paint, slip or other decoration.
